A-Bomb Facts Given Rotarians By Navy Chief

Development of the atom bomb and effects of atomic bombing were described for Campbell Rotarians at their luncheon meeting Tuesday by Chief Aviation Electrician's Mate Russell R. Dickinson, USN.

Dickinson, introduced by chairman of the day, Dr. Robert Wade, told an absorbing story of the bomb's development, going into the mathematics and physical properties of the bomb's structure.

He also showed Navy films of A bomb explosions on the Nevada desert, and results of the bombing of Hiroshima and Nagasaki, Japan. The film gave a detailed report of the tremendous damage done by the bombs. In Hiroshima the area nearby the point of explosion was completely flattened except for a solid concrete monument. The city for great distances around was demolished.

At Nagasaki, where the bomb explosion was somewhat confined by the walls of a valley, the large industrial developments were completely leveled.

In his talk prior to the film showing, Dickinson stressed important points to remember in event of an atomic bomb attack.

He commented that the Russians wouldn't waste an A bomb on San Jose or the Campbell area, stating their targets probably will be the large cities and service installations. In speaking of potential bomb attacks on this country, Dickinson used the word "probability" rather than "possibility."

Most important factor in the event of such an attack is that the people must understand the blast effects and know the basic steps to avoid serious injury.

SLIT TRENCH

When asked how safe a cellar would be in event of an attack, Dickinson replied he'd rather be in a slit trench. He recalled the serious injuries suffered by victims of the London bombings during the last war, when many who sought safety in cellars were crushed by falling timbers and debris, or were suffocated.

Election ballots will be collected at next week's Rotary meeting, after which they will be tallied and names of new officers announced. The slate of nominees consists of Homer Hyde for president; Joaquin Payne, vice-president; L. W. Harmon, treasurer; Hans Hansell and I. O. McConnell, board members.

VARIETY SHOW

At last week's meeting with the San Jose Rotary Club in San Jose, Campbell Rotarians presented a program by Campbell High School students directed by Kenneth Wallace, drama instructor. Attorney Norman Stoner was the program chairman.

Master of ceremonies Ron Gilpatrick introduced Beverly Clawson, violinist, who played "The Hot Canary"; Charlotte Smith, pantomimist, who presented "Hamlet"; and "Square in a Social Circle"; Jim Overacker and Rose Mary Magnasco who did a "Betty Boop" number; Bob Mulberry, steel guitarist, playing "Quicksilver"; Diane Mayo, tap dancer; Betty Barton, who sang "Thinking of You"; Marleen Moore, hula dancer; Marilyn Graham, tap dancer, and Lee Gowan, who gave a reading, "A Dream of Love."

Red Cross Drive Donations Needed

Campbell's 1951 Red Cross fund drive moved up to the \$3300 mark this week as workers made a final effort to reach the \$4000 goal. The campaign for the 1951 quota "is the slowest year we've ever had, commented one local official.

Chairman Joseph Feit and fellow committee members issued an appeal to the community to lend a hand and contribute to the Red Cross.

Anyone who has not given, may send his contribution to the collection headquarters for the drive, 251 E. Campbell Avenue, in care of G. E. Farley. Checks should be made out to American Red Cross.

tin, Pauline Cleveland, Joline Howard, and bugle (cornet?) blower Osborne.

Bottom photo—Bob Sala gives sinister Frank Mantia a nasty moment during the developments, while Joline Howard and Pauline Cleveland, themselves not averse to murder, though they're nicer about it, show how they feel about such rough tactics.

Murder and comedy will provide an evening of laughs and thrills for local playgoers who attend the performances of "Arsenic and Old Lace" tonight and Saturday night at Campbell High School auditorium. In top photo, Tom Osborne, self-styled Teddy Roosevelt, passes other members of the cast after completing a "charge up San Juan Hill." On the stairs, left to right, are Charlotte Smith, Frank Man-

NON-CONTRIBUTING MERCHANTS ASKED TO SUPPORT NIGHT PATROL

Failure of 30 local merchants to contribute to the merchant patrol may have an injurious effect on over-all policing of the business district if Patrolman Robert Locke is forced to curtail his service due to lack of income.

Such was the report of the police committee of the Campbell Chamber of Commerce this week, and the committee members have undertaken the job of remedying the situation. Under chairmanship of Homer Hyde, the committee members will contact each of those non-contributing merchants in an effort to show the businessmen the need for the patrol and the necessity for their contribution to the overall protection of the business district.

Committeemen have stated that those non-contributing merchants may believe they derive no benefit from the nightly patrol, but the very fact that there is a patrolman on duty throughout the night in the business district has a definite discouraging effect on

the trouble element in the town.

"Those 30 businessmen are riding on the coattails of their fellow merchants who are paying for the patrol," commented one member. As the situation stands now, Locke finds it almost impossible to maintain his rounds under present conditions. His job isn't one of simple door shaking; it consists of keeping down general lawlessness in the community. Obviously, if Locke keeps watch over stores of those who are paying, the non-contributing merchant next door is getting protection. He isn't going to turn his back on a suspicious character eyeing the shop across the street, even though its owner isn't paying him for his policing.

Police committeemen expressed hope that through their individual contacts they will be able to persuade the 30 merchants that their support of the patrol is needed and that the merchants need the patrol.

KIWANIS CLUB HEARS SONGS BY GLEE CLUBS

Boys' and Girls' glee club of Campbell Elementary School presented a musical program for the Campbell Kiwanis Club meeting Tuesday noon.

Ben Ziegler led the boys' group in three numbers, and the girls were directed by Lillian McCall in a group of songs.

Henry Jewell was chairman of the day.

Janine Johnson, commissioner of student affairs at Campbell High School, was the student guest. Other visitors were Jack O'Keefe and Douglas Duckham of San Jose, Thor Thorwaldson and James Styer of Los Gatos, Ben Silva and Bert Pye.

Two new members who were installed were Dr. Willard Morell and Harold Estensen.

Speaker at next week's meeting will be Alvin Hansell of Hunt Foods, Inc.

Open House For Remodeled Store

Open house will be held this Saturday, March 31, at the newly remodeled store building of Shmidt and Hammer, 419 E. Campbell avenue. Free soft drinks and ice cream will be served to the families attending the opening this Saturday. The public is invited to inspect the new installation.

J. W. Shmidt has completed the remodeling program for the store which now provides greatly increased floor space and a complete new store front. The concern is featuring Kelvinator appliances, Western Holly ranges, Universal washing machines and other standard household equipment.

Health Officer Gives Talk For Country Women

An address by Dr. Dwight Bissell on "World Wide Achievement in Public Health" was given at a well attended meeting of the Country Woman's Club of Campbell on Monday afternoon, March 19, at their club house.

The committee in charge included Mrs. Ethel B. Minehart, chairman; Mrs. Henry Jensen, Mrs. Earl Gripenstraw, Mrs. G. W. Burrow, Mrs. Rex Sanders, Mrs. Herman Busack and Mrs. C. E. Fagalde.

The hall was decorated with daffodils, tulips and branches of yellow flowered shrubs.

After leading the group in the pledge of allegiance to the Flag and the singing of "America, the Beautiful", Mrs. Rex Fuller read an inspirational poem entitled "Going about doing Good".

Music was furnished by Mrs. Ray Martin, who sang "Holy Dawn" by Warford. Her accompanist was Mrs. David Sanders.

Mrs. Harry C. Smith, speaking for the library committee, announced that the magazine "Popular Mechanics" had been subscribed to by the club for the library.

Mrs. J. B. Arends, Jr. reminded club members that on April 2, the club will have its annual "Pilgrimage", and asked that they meet at the club house at twelve noon, from there going to "Villa Felice", Los Gatos, for lunch at 12:30 p. m. After lunch the committee has planned a tour of the Rosicrucian Museum, beginning at 2:30 p. m. She asked that members make reservations for the luncheon as soon as possible.

These may be placed with Mrs. Vernon Suess, chairman; Mrs. J. E. Jeffers or Mrs. J. B. Arends Jr.

Crash on Apricot Ave.

Slight injuries were received by Gilbert Friis, 48, of 4455 El Camino Real, Los Altos, and Zina Kelley, 40, of 64 Cleveland Avenue, San Jose, in a two-car crash recently at the corner of San Jose-Los Gatos Road and Apricot Avenue, Campbell.

TEACHERS SALARIES STUDIED

OPS To Open San Francisco District Office

Office of Price Stabilization will open a district office in San Francisco on April 23, the regional OPS office has announced.

San Francisco District OPS headquarters will be located in the Flood Building and will serve Del Norte, Humboldt, Mendocino, Lake, Sonoma, Napa, Marin, San Francisco, San Mateo Santa Clara, Santa Cruz, San Benito and Monterey Counties.

Oakland District office of the Price Stabilization Agency, which up to now has been handling all of Northern California, will continue to serve counties in the San Joaquin and Sacramento interior valleys of California, plus the East bay trading area of which it is the center.

FOR EATING PLACES

Every operator of a restaurant, cocktail lounge, soft drink fountain, cafeteria or any other type of public eating place is urged by the regional OPS office to obtain a copy of Ceiling Price Regulation 11 as soon as possible, so he may determine ceiling prices for use in his establishment by April 1 and file required reports by April 30.

Definition of food under the regulation includes both alcoholic and non-alcoholic beverages.

Copies of CPR-11 are available at the Campbell Chamber of Commerce office and the OPS district office for this area, located at 1417 Clay street, Oakland; telephone Twinoaks 3-6340.

Group To Report April 11 Whether Salary Increase Thru Taxation Needed

Teachers' salaries in the Campbell Union Elementary School District and the question of whether they should be raised were principal discussion topics at an open forum meeting of school trustees and representatives of local service organizations Wednesday evening in the Campbell Grammar School. Among groups represented were

Moreland School Registration For New Pupils Set

Registration for kindergarten and first grade pupils for the 1951 fall term at Moreland Elementary School will be conducted during the first week of April. Mrs. Gussie Baker, school principal announced this week. The school office is open Monday through Friday, from 7:45 a.m. to 4 p.m. Registrations will be accepted from April 2 through April 6.

Children who were four years old before March 1 of this year will be eligible to enter kindergarten this fall. Children five years of age before March 1 of this year will be eligible to enter the first grade.

Mrs. Baker said the school board has set the registration period in order to determine how many kindergarten and first grade classes must be scheduled for the fall term.

Those unable to call at the school during the above hours, may telephone Mrs. Baker at AX6-4268.

Chamber of Commerce, Kiwanis Club, Rotary Club, American Legion, Veterans of Foreign Wars, women's clubs and Parent-Teacher units.

Teachers have asked for a salary increase due to cost of living rise, and trustees invited representatives of local organizations to form a citizens committee and study the salary problem in the school district in relation to financial ability of the district.

CAN'T USE RESERVE

Norman Liles presided at the discussion meeting during which several interesting points were discussed. One of these noted that the district usually has a budget reserve of about \$20,000 at the end of each year. Chance of using this reserve for salary increases is slim, since it would be insufficient to raise all salaries, and use of the fund would leave the district without any reserve for future needs or emergencies.

Consensus of the group was that the only way to raise salaries of the teachers, if such a move is even necessary, would be by a direct vote of the electorate at a special election to increase the present school district tax rate from 90c per \$100 of assessed valuation to whatever new figure would cover a proposed increase. Generally, such tax rate boosts are for a five-year period.

The committee learned that a 25c raise in the tax rate would provide additional district income of approximately \$30,000, enough to give each teacher a salary increase of about \$300 per year.

COMPARATIVE SCHEDULES

Each person present was given a mimeographed sheet showing sample schedules of teachers' salaries in various school districts of the central coast area.

Average teacher salary in the Campbell district is \$2336.46 per year, or \$62.23 for each of the 52 weeks, although the salary schedule is based on a nine-month school year. Each teacher pays about \$60 a year into his retirement fund. In addition, there is an annuity payment of about \$150 per year based on the minimum wage scale for beginning teachers of \$2700. Although these retirement fund and annuity payments reduce the teachers' take-home pay, they are definitely part of his salary from which he will eventually benefit.

Two years ago the teachers received a salary increase of \$300 per year.

TO STUDY NEED

Before the meeting closed, Liles appointed a special committee to investigate various school systems' pay schedules, to determine the state average salary for teachers, to investigate the possibility or need to raise district tax rate to bring the local salaries up to the state average if they are below average, and to gather any other information pertinent to the teachers' complaint.

Another meeting of the entire group has been set for April 11 at which time the special committee will make its report and recommendations to the group and (Continued on Page 8)

BODY WASHED UP ON BEACH NEAR S. F. IDENTIFIED AS WARREN S. REESE

The body of a man washed up on Stinson Beach, north of San Francisco and discovered March 7, was positively identified last week as that of Warrant Officer Warren S. Reese, 39, brother of Forrest A. Reese, of White Oaks Avenue, Campbell.

Reese was one of six Army men reported missing after an Army tugboat "T-6" capsized off the Golden Gate last February 3, when the 64-foot boat was struck by a sudden huge wave.

Only clothing found on the body were shoes and socks and it was by means of these items that identification was made by the Army man's widow in Washington, D.C. The man's face had been badly smashed, probably by the gunwale of the boat as it overturned. Disfigurement was so complete that identification of the face or the teeth was impossible, nor were officials able to obtain fingerprints from the decomposing hands. There were no dog tags or wrist watch.

Pending identification the body was taken to the nearest coroner, at Mill Valley, Reese said.

It has been shipped to the east, where it is expected to arrive early next week. Interment will be at Arlington National Cemetery.

After discovery of the body, the shoes and socks were shown to relatives of all men drowned in recent weeks in the Golden Gate area. Later they were sent to Colonel J. S. Mears at Bolling Field, Washington, D.C., who was commanding officer of the special Air Missions Group to which Reese and the other men lost had been assigned.

Mears, in turn, exhibited the shoes and socks to relatives of the men in the east, and Mrs. Reese identified them as belonging to her husband. He had been wearing civilian attire at the time of the accident, said his brother here, probably in anticipation of a visit to the Reese family in Campbell later that day.

Forrest Reese received a telegram Friday night from his sister-in-law, telling of the identification. She confirmed the report in a long-distance telephone conversation with him Tuesday evening of this week.

Besides his widow, Dorothy, the warrant officer leaves a daughter, Joan, also of Washington, D.C.; brothers, Joseph Reese, of Long Beach, and Clyde Reese, of Toledo, Ohio; and sisters, Mrs. Ida Welch of Bedford, Virginia; Mrs. Mabel Rasmake, of Dayton, Ohio; Miss Frances Reese, of Washington, D.C., and Mrs. Nellis Blosser, of Portsmouth, Virginia.

Square Dance Class Starts Tuesday

A beginning square dance class started March 27 at 7:30 p.m., sponsored by the adult education department of Campbell High School.

Those who are interested in learning fundamentals of folk dancing, and advanced dances as the class progresses, are invited to enroll. American Rounds, couple dances, will be included.

Registration will be conducted during the class which will meet in Bues' Cove, the high school cafeteria. Carl Spencer will be the instructor.

San Tomas Kite Contest April 1

San Tomas School District will have its annual Kite Contest at the school on Sunday, April 1. Kite entries must be home made and have 100 yards of string.

Refreshments will be sold by Cub Scouts and Boy Scouts. Everyone in the district is invited to attend.

ORCHARD GRANGE CARD PARTY

Orchard City Grange will sponsor a public card party this Saturday, March 31, at 8 p.m. in the Campbell IOOF Hall. The public is invited to attend. Special events have been planned.

St. Lucy Women's Club

St. Lucy's Women's Club of Campbell will have its regular monthly meeting at the home of Mrs. Norman Corvello, Almaden Road, Los Gatos, on April 5 at 2:15 p.m.

Mrs. Leslie Fairchild and Mrs. Joseph Carvello will assist as hostesses.

LEAVE CAMPBELL

MR. AND MRS. M. A. SCHAEFER have left Campbell for Portland, Oregon, where Mr. Schaefer will take over the northwest territory for the Payne Manufacturing Co.

SOJOURNERS TO BREAKFAST

Association of Sojourners of Charity Lodge, F&AM of Campbell, will have its next sojourner breakfast this Sunday, April 1, at 8:30 a.m. at the Campbell IOOF Hall. Mike Ricketts will be chairman of the day and has promised some interesting motion pictures.

Reservations should be phoned to Claude Barham, Campbell 3220, or Tom Daugherty, Campbell 2444 before noon Saturday. Sojourners have changed temporarily their breakfasting place due to remodeling program at Williams Family Lockers. Walter Williams will, however, serve the breakfast at the IOOF Hall.

Moorpark Teacher Helen Prindiville Tells of Travels Through Europe And Visit To Her Ancestral Ireland

By JACK BARRETT

"Kissing the Blarney Stone" will always be more than a figure of speech for Helen (Boots) Prindiville, teacher at Moorpark School. Miss Prindiville did it last summer on a combination tour and college course that took her through the British Isles and several countries of the continent.

Being of Irish descent, she made a special side trip to Ireland, and at Blarney Castle went through the traditional Irish rite.

In the top of the castle tower, she says, is a square hole. She was lowered through it, head downwards, by two keepers, and kissed the well worn rock that juts out from the inside wall, noticing, after she was through, that she had left a trace of lipstick on it.

Although Ireland was one of the most interesting trips to her personally, the tour included visits to English schools, sightseeing in Paris, travel through the lake country of Switzerland, and a boat trip down the Rhine. There was also a visit to Oberammergau, and an auto trip through part of the Netherlands.

She left San Jose last June as soon as school was out, and travelled to New York by auto. From New York, the group, which was actually a summer session class of the University of California at Los Angeles, flew to Paris. The plane was unable to land there, so Miss Prindiville spent her first night on European soil in Luxembourg.

ROMANTIC ILLUSIONS began to tumble when the party was billeted in Hollenfels Castle. The place, she says, was cold, drafty, and badly in need of repair.

From Luxembourg, she trav-

had been moved 15 times during the war.

The English, she says, bear up under their past war difficulties with dignity. All foods except "tinned goods" are rationed. Appetizing displays of pastries and cakes in the bake shops are always a disappointment because they are made with a minimum of sugar and shortening. An Englishman must wait six years for a new car. Most cars are being made only for export goods.

ENGLAND REBUILDS

Yet the rubble from bombings has been cleared, buildings have been rebuilt, and the people know what they are going to build in the open spaces that remain. The big parks are pleasant and refreshing, and kept neat and clean by the Englishman's innate sense of tidiness and respect for public property. People in the suburbs are well-mannered; their morale is high—a strong contrast to the apathy in Germany where a tourist must still climb over rubble piles

that block streets and sidewalks. The side trip to Ireland was made to see the country her ancestors came from. She found it in Tralee, County Cork, where Prindiville is a common name.

In beauty and greenness, Ireland lives up to the Irishman's boasts, but it is a poor country. There is little industry, and most of the farming is carried on without modern equipment.

After Ireland there was a trip to Scotland. Then, part of the group traveled to the continent. There were five days of sightseeing in Paris with warm, clear weather that was a pleasant change from England. In contrast to London, Paris seemed erratic. Taxi drivers have a devil-may-care attitude. They will take you for a half hour ride to reach a spot one block away from your starting point. (The passenger, of course, pays for the ride.) Fluctuation of foreign exchange is a headache for the tourist. Even buying an air mail

stamp becomes a problem.

From France she traveled to Switzerland—to Lucerne, then to Zurich. Switzerland was impressive, not only for its magnificent mountains and beautiful lakes, but for the character of its people. Placed by geography in the center of Europe's military and political storms, the Swiss have retained their integrity and democratic traditions. They seem contented, though they have little hope of ever becoming a wealthy country. As one native said, "We have nothing to export but quality."

From Switzerland she went to Oberammergau in the Bavarian Alps to see the passion play which is given every ten years. The party went on through Germany, traveling down the Rhine in a steamer. The Rhine, though beautiful, shows the scars of war. Sections of wrecked bridges hang halfway across the river. The famous Cologne Cathedral was spared, but

tourists must clamber over the debris of a two-block devastated area to get to it.

OPINIONS OF U. S. VARY

Asked what the Europeans think of Americans, Miss Prindiville said opinions vary from one country to another. The French tolerate us, but seem to have no great admiration. The English admire many things about us, but think we have much to learn about values of living. All Europeans think we are very rich.

The last opinion was unconsciously reflected in a remark of a little girl in an English church. Not yet familiar with English money, Miss Prindiville bent toward the girl and showed her the coins in her hand.

"Which one should I put in the collection?" she asked. "Well," the girl said, "I would put in this one." She pointed to a small thin coin about the size of a dime. "But you would put in this one," and she pointed to the biggest silver coin of all.

More About... Moorpark PTA

(Continued from page 2)

Mrs. Howard Womer, parliamentarian. The motion was made and carried that the nominees be elected. Bill Lorimer presented facts and figures regarding teachers' salaries in the Campbell school system. Mr. Lorimer spoke as the representative of the Campbell school teachers.

Mrs. Ralph McKee, community service chairman, announced that more Red Cross canvassers are needed, especially in the Bradley Manor area. John Duncan, head of the committee to purchase and plant trees on Arbor Day, reported that several Monterey Pine trees had been purchased and planted on the school grounds.

Refreshments were served by first grade room mothers.

Buc Track Team Opens Season Today In Four-Way Meet At San Jose State

Barring any sudden rain storms or sleet showers (plague of all trackmen this spring) Coach Junior Morgan's Campbell high school cinder squad will open its season this afternoon in a four-way meet at Spartan field, home of the San Jose State college Frosh team.

Fremont and James Lick are the two other visiting prep schools that will try to upset Spartan Don Byran's charges. The meet will have a double meaning for Coach Morgan. The affair marks his debut as Campbell track mentor. It also pits him against his former college in his first sports love, track.

If number means anything the local contingent has the meet won already for Morgan is taking all 130 Buc track and field men. The D's and C's, with two exceptions, will watch the meet, and pick up some valuable pointers, Morgan hopes.

Morgan announced that he'll run three men in each event. Following is a summary of the leading Buc's in their given event (best time in brackets):

100-yd. dash—Sonny Musladin (10.5).
High jump—Jack Bray (5 ft.-8 in.).
Broad jump—John Hoover (20 ft.).
Discus—Saul Estrada (100 ft.).
180-yd. low hurdles—Chas. McBain, SCVAL champ, (23.4).
120-yd. high hurdles—Howie Kaeding (16.3).
Pole vault—Paul Star and Garry Hoover (both C's, no marks).
Shot—Bob Ciraulo (38 ft.-6 in.).
220-yd. dash—Bray (didn't run event last year).
440-yd. dash—Dan Livesay (54.6).
880-yd.—Ray Williams (no time).

100-yd. dash—Sonny Musladin (10.5).

High jump—Jack Bray (5 ft.-8 in.).

Broad jump—John Hoover (20 ft.).

Discus—Saul Estrada (100 ft.).

180-yd. low hurdles—Chas. McBain, SCVAL champ, (23.4).

120-yd. high hurdles—Howie Kaeding (16.3).

Pole vault—Paul Star and Garry Hoover (both C's, no marks).

Shot—Bob Ciraulo (38 ft.-6 in.).

220-yd. dash—Bray (didn't run event last year).

440-yd. dash—Dan Livesay (54.6).

880-yd.—Ray Williams (no time).

Bucs Add Carmel To Football Sked

Campbell high school's football squad will meet Carmel high this year for the first time in the school's history, according to Jim Muir, head grid coach at Campbell.

The Coast County Athletic league team is coached by George Mosolf.

The contest completes the '51 grid schedule for the local eleven. They will play seven League games and two non-league tilts, Carmel and Lincoln highs.

Although bad weather curtailed outdoor practice to a minimum, Morgan still was able to hold the first annual Inter-Class track meet recently on the local oval as means of pre-season preparation.

After the final event was staged a combined Senior-Frosh squad squeezed out a 108 to 106 win over the Junior-Sophomore team.

Twenty-five races and events were held under the directorship of Morgan, and approximately 10 judges and officials from the school.

The meet was run according to divisions. Men of A and B stature competed against each other while the D's and C's did likewise. In reality, most of the events had Frosh meeting Sophomores and Juniors vying against Seniors.

A composite score was kept to decide the winning squad. Although many upper class trackmen boasted better marks and times it remained for two freshmen to register the best mark in a given event.

Hoover and Bob Yates, frosh pole vaulters, cleared the bar at 8'6" to pace the entire field. The best jump set by the A's and B's was 8 feet.

Several commendable early-season marks were turned in by three or four of the Buc varsity, however.

McBain cleared the 120-yard low barriers in 14 seconds flat while Kaeding ran the 70-yard highs in 9 seconds flat.

Kolze ran the 1320-yard distance in the good time of 3:30.4. Musladin, speedy sophomore competing in the upper brackets, copped the 70-yard dash in 8 seconds.

The 330-yard race was won by Livesay in 38 seconds.

The day's only triple winner was Don Hevrin, who captured the high jump with a leap of five feet.

Local Nine Meets Fremont Hi Tues.

The Campbell high baseball nine suffered its second straight loss of the season Monday afternoon as the Palo Alto Vikings took a loosely-played contest, 11 to 7, on their home diamond.

After winning their first three games of the year in fine fashion, the Bucs have fallen apart at the defensive seams in the past two games. Monday's tilt had four earned runs, and only one by the Vikings.

Coach George Miskulin's team returns to SCVAL action Tuesday afternoon as the Fremont Indians come down for a 3:30 contest.

Thursday the Bucs travel to Backesto Park, San Jose, to meet San Jose Tech, one of the best clubs in prep circles.

Against the Vikings the locals enjoyed a short-lived lead by scoring once in the second and three times in the third inning. But Palo Alto hit for a big seven-run jackpot in the bottom of the third to practically cinch the affair.

Nick Tersigni, Buc shortstop, and teammate Duane Burrows, third-sacker, shared hitting honors for the locals with two hits in four AB's. Tersigni took slugging laurels by connecting for a homer in the third frame with no one on.

Line score:
Bucs 7 8 6
Vikings 11 10 5

Netmen Battle For Team Positions

Coach Harold Drummond's Campbell high tennis team opens defensive play of its SCVAL net crown Tuesday afternoon against the Fremont Indians at 2:30 o'clock on local courts.

A strong battle for the No. 3 singles position on the Buc squad may yet develop before next week's opener.

At this moment, Ray Mason is playing behind Dave Baxter and Tom Barton, No. 1 and 2 respectively. But Jim Hearon, back on the squad following illness, is expected to give Mason a racketful of trouble for that third slot.

Drummond said yesterday that his first doubles team will consist of Trent Barton and Jim Shepardon with the second doubles featuring the play of Dick Jordan and Dennis Kelly.

Sport Shorts

By JERRY THOMAS

STRONG UNION . . . Any similarity between a typical high school campus, complete with peace and quiet, and Campbell high these days is purely coincidental, highly imaginative, or down-right wishful thinking.

Ten days ago, all the Buc elements were in the same place they have lain for the past 20-odd years. But last week the long-awaited athletic building expansion program came to pass, at least the embryonic stages were visible and definitely audible.

Within the short time of seven days the area behind and alongside the Gymnasium has been mysteriously transformed from a sleeping, hushlike hunk of Campbell campus into something akin to a wartime shipyard or postwar housing tracts. Everyone was working.

Already huge steam shovels have made huge holes in the Buc terra firma, digging, shaping, and forming the new swimming pool-to-be. Carpenters, surveyors, mechanics and sundry other workers scurry back and forth throughout the day. No one seems to know where the other man is going or what he is doing except the man himself who won't tell what he did until he comes back. But progress is made.

At a first glance one would be forced to believe that all those pegs, sticks and rolls of string were placed in a devil-may-care pose by some frustrated crossword puzzle fan. But we were assured by the contractors that each inch of string and every piece of wood has a set purpose in planning and determining the complete project.

At the far end of the building area another separate "going-up" program has been completed, except for a little last minute bolt-tightening and post-polishing. The new football stands, seating about 1500, have been put up on the east side of the gridiron. It is anyone's guess as to the actual seating capacity. There are many things we can't properly do and more things we can't do at all but when it comes to distance guessing or telling the guy next door how many fingers on his

hand we are leading contenders for a consolation prize.

The spanking-new bleachers may seat 10,000 or may only 1000; we wouldn't even hazard a guess as to how many passengers a two-seated aircraft holds.

To amalgamate all this "stuff" real quick like the Campbell high building program is started, is rolling, and should not slow down until completion some time in September (that's what the man said).

ROTARY TROPHY . . . The winners of the B league in the local cage loop will be presented with a large two-foot-high trophy, donated by the Campbell Rotary Club. This perpetual memento has a base of 10"x6" and is capped by a 10-inch figure of a basketball player.

The ultimate division champs, either Campbell Hardware or Maderis Mkt., will be awarded the trophy at a luncheon shortly after the final game.

At the moment the two-tone maple prize is in the possession of Laurance Hill, principal at Campbell high.

CAGE CHATTER . . . A couple of local cage products proved their mettle in the recent Mercury Cage tourney in San Jose and drew words of praise for their hustle and all-around play.

Junior Morgan, assistant basketball mentor at Campbell high, led McCune Citrus to the championship over a highly-favored L'Omelette five from Palo Alto. With his team down six points at the half, the former SJS star, took charge of both backboards and paced a belated rally that found the Citrus crew winning with comparative ease.

Jack Bray, Buc pivot man this season, showed all the local fans that he can play excellent ball in faster company. Playing for Long's Sporting Goods, the Buc center scored 12 and 10 points in the two games played. Several tourney officials commented upon his hustle and drive. One gentleman stated that Bray has a good set shot and after

a little polish, practice, and learning he could emerge a highly-capable cager.

SPORT SHORTS . . . Campbell high's Physical Education staff has been augmented by the temporary addition of two San Jose State college student teachers. HAROLD MCGILL and DON LACLERGUE will assist the regular staff with classes and assignments, learning the trials and tribulations that they will meet once they're graduated and in the field . . . BERT ROBINSON, Buc cage boss, has been struttin' about like a new father . . . He is to a degree . . . Although he is the pop of three-year-old David, ROBBIE became the father of KATHLEEN ANN two weeks ago. Mrs. ROBBIE is doing fine and so is the 9-lb. tot . . . We aren't revealing the father's condition until he comes across with that long-awaited and anticipated cigar . . . WANTED . . . A home for COACH MISKULIN's baseball orphans.

WSCS Board Meeting

Women's Society for Christian Service of the Campbell Methodist Church will have an executive board meeting on Thursday, April 5, at 10 a.m. in the parish house.

TO LEAD SERVICE

Dr. George W. Phillips, of Saratoga, will conduct the service of worship at the Congregational Church of Campbell in the absence

of Dr. Corwin H. Olds, this Sunday, April 1. Dr. Phillips is a very widely known radio preacher, founder of one of the Bay area's large radio stations, and was for many years pastor of the Tenth Avenue Baptist Church in Oakland. He is a preacher of outstanding ability, and will preach on the vital theme, "Christ and The Current World Picture." The service will be at 10:30 a.m., and the public is cordially invited.

Cambrian Fiesta Committee Plans Full Day Of Events For June 3 Festival

Plans are already in full swing for the annual Cambrian Fiesta, to be held on June 3 at the Cambrian school from 12 noon to 12 midnight.

Cambrian Men's Club, the sponsoring organization, has prepared a program of folk dancing, entertainment, variety events and a children's parade.

MAGICIAN SHOW SLATED BY CLUB

A special show by Toussaint the Magician will be given on Friday, April 6, in the Campbell High School auditorium under sponsorship of the Cambrian Men's Club. The program will begin at 8 p.m.

There will be booths for sale of food, refreshments and white elephants. Any organization wishing to enter a concession in the fiesta is eligible to do so. Arrangements should be made with the fiesta chairman, Ed Carhart, at 113 Redding Road. Jack Baker is the co-chairman.

Everyone is invited to attend. The children's parade will begin at 1 p.m. Entertainment will be provided at regular intervals during the afternoon, and there will be special award announcements every two hours.

LEARN HOW YOU CAN ELIMINATE FUNERAL BILLS

Would you like to know how funeral bills can be eliminated for you and your family? The Plan we recommend, issued by Forest Lawn Life Insurance Company, provides cash for funeral bills regardless of how little may have been paid in. In our opinion, this low-cost Plan is the best form of funeral insurance available today. Mail coupon for full details.

Mrs. J. D. Cantoni To Head Board Of High School PTA

Mrs. John D. Cantoni was elected president of the Campbell Union High School Parent-Teacher Association at its monthly meeting March 15. New officers will be installed at the April 11 meeting which will begin at 2:30 p.m.

Others elected to office are: Mesdames Eugen C. Andres, vice-president; Malcolm Blue, recording secretary; C. T. Mitchell, corresponding secretary; W. R. Morgan, treasurer; Irwin L. Kaughmann, financial secretary; George H. Kolze, auditor; G. D. Robertson, historian; and L. Ben Howard, parliamentarian.

A potluck supper opened the evening meeting. Several members of the faculty entertained with an orchestral number. Selections were presented by a male quartet and a hillbilly trio, and the program was climaxed with a violin solo by Frank Triena, accompanied by Miss Helen

Chamber of Commerce Directors To Get Nominating Committee Report Monday

Report of the nominating committee on proposed officers for the coming year will be the main item on the agenda for the meeting of the Campbell Chamber of Commerce directors Monday night at 8 o'clock in the Campbell Press office.

The board will conduct discussions on its recent resolution seeking

More About Teachers' Salaries

(Continued from page 1)

The school trustees, Board members present at the Wednesday night meeting were Edwin C. Van de Mark, E. A. Merrill and Lee L. Anderson.

Citizens committee members at the meeting this week voiced statements showing a decided difference of opinion over need for the increases, and some questioned adequacy of the sample sheet of salary schedules for other school districts. Of the 19 districts listed, 11 were in Santa Clara County. Others ranged from Monterey to Oakland.

The list gives Campbell teachers with an AB degree a salary range from \$2700 to \$3660, and annual increment of \$96.

Lowest beginning salary was at Cupertino, starting at \$2600, with maximum of \$3600. Burlingame was next lowest, with a \$2640 to \$4560 range, followed by Campbell, \$2700 to \$3660, and Alum Rock, \$2700 to \$3550.

According to the sheet, current median weekly take-home pay for 90 teachers below the level of principal is \$48.37. This figure was obviously arrived at after deductions for annuity and retirement fund payments, which may be considered as income.

Outgoing president Mrs. L. Ben Howard presided at the business meeting, after which Mr. G. K. Schrader introduced Superintendent Laurence J. Hill as speaker for the evening.

a municipal court district for the Los Gatos-Campbell-Saratoga area; on resumption of the weekly shopping night schedule and the various civic improvement programs now under way.

The Friday shopping night was discontinued by many merchants at the close of the daylight saving time period last fall, with tentative agreement that such a shopping night program would be resumed when daylight saving time returns on April 29. Chamber directors will lay plans for resumption of the schedule.

Secretary-manager Forrest Reese commented that if such a program is to be effective it must have the co-operation of all the merchants. He urged all directors to be on hand next Monday night.

Visit Doll Factory

The Welcome Blue Birds of Campbell visited the Kerr and Kinz Doll Company in Santa Clara recently. Girls were accompanied by Mrs. Elmer Hammer, leader; Mrs. Ray Davis, assistant leader; and Mrs. Frank Lima, sponsor.

Those who toured the plant were Gloria Bedal, Carol Hammond, Gay Lynn Hammer, Joan Sylvia, Jean Voytek, Joan Davis, Leanne Biebsheimer, Robin O'Flynn, Barbara Olsen, Linda Stuckey, Karen Lima and Karen Morrell.
